

## 2017 Spring Meeting May 11, 2017

*Reception 5:30 PM*

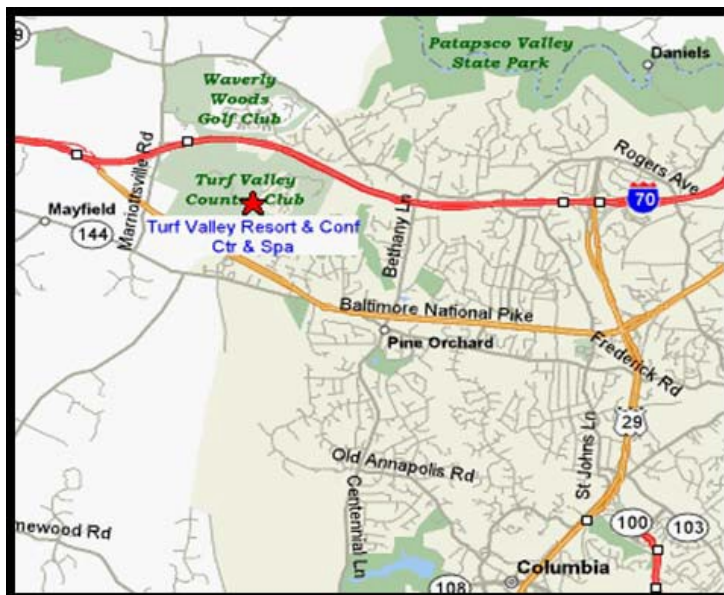

*Dinner & Presentation 6:30 PM*

### *Predictive Analytics and Applications*

Our speaker for the evening will be **Ben Williams**, a Senior Consultant with Willis Towers Watson. Mr. Williams specializes in Predictive Analytics and applications to insurance. His background is in Property & Casualty Personal Lines pricing, but in recent years he has also been involved in applications to life insurance mortality and underwriting, and long term care morbidity.

He is originally from New Zealand, and has lived in Mexico, where he carried out postgraduate studies in Mathematics, and Italy and Spain, where he worked in internal consulting roles with the Allianz and Liberty groups respectively. He moved to the U.S. five years ago.

**Turf Valley Resort**  
2700 Turf Valley Rd,  
Ellicott City, MD 21042  
410-465-1500
